What is SHOOSH FOR KIDS all about?

Shoosh for Kids isn't about staying completely silent as a spectator.

In fact, positive spectator behaviour is encouraged. Cheering on both sides of the competition is encouraged.

Shoosh for Kids is about trying to make sure the environment at junior sport remains positive - so that kids keep coming back to sport and stay happy and healthy.

Paint can be dropped down to the canteen. Thank you!

Uniform Shop

Open Wednesday 2.30pm to 3.30pm

The uniform shop is restocked with the new microfibre hats in all sizes. These hats are fantastic! They have a broad brim which provides good sun protection on hot sunny days (which seems to be every day at the moment!) but can also be crushed in a school bag, washed and still keep their shape. You can drop in and see us in the school residence on the corner of Perry and Denison Streets on Wednesdays or order online

from www.mudgeepublicpandc.com.au and your order will be delivered to your child's classroom every Wednesday.

Canteen

It was a lot of fun in the canteen last week with the canteen looking spooktacular for Halloween!

Volunteer update:

Angus's dad, Ian, from 2C did a fabulous job cooking pikelets in the canteen last week. Thank you to Ian and all our regular canteen volunteers who help the canteen run each week.

This week it's 2W's turn to help. No cooking skills are required and you can name your day and

hours. Even just one hour is a great help. It's a fun day and children love seeing someone they know in the canteen. If you can help out, please send Tracey a text on 0418 452 278 or simply drop down to the canteen.

Join the Office of Sport, Sport NSW, State Sporting Organisations and grassroots clubs across the state for Shoosh for Kids, the initiative promoting positive spectator behaviour at junior sport. Visit our website to sign up, gain access to posters, social media posts and more and let your members know where you stand on poor spectator behaviour.

Let's keep kids coming back to junior sport!

Shoosh for Kids is proudly supported by:

Using a Teddy Bear or a Baby Doll can be a very effective way for a person with **Alzheimer's** or any kind of **dementia** to decrease stress and agitation.

A caregiver can use **doll** therapy for **dementia** patients as a way to put responsibility, caring and structure back into the lives of those afflicted with **Alzheimer's**.

If you have any unwanted dolls, with or without clothing, we would love you to drop them at the Office so we can pass them onto those who are assisting in this fabulous program.
