Library News

Book Club

All orders are due in next Monday, Feb 18th. Please have all online orders completed by then. I also need all cash orders to be handed to me in the Library by then too.

Borrowing

Student borrowing commenced last week and what a great start to the year! Please remember that K-2 students MUST have a Library bag to borrow and in Primary it is not compulsory, however, it is highly recommended. Plastic re-usable bags are fine. Happy Reading!

Change of Student Details

It is of utmost importance that the school is informed of any change of details i.e.. Address, telephone numbers, email address and emergency contacts. Email addresses can change frequently and, as our Newsletter is sent via email each week, along with other important and interesting information, it is essential that we have your correct email address so that you can keep up with, and be a part of, all that is happening at our great school. A current mobile contact number is vital in case of an emergency.

Parent Teacher Information Evening Tomorrow

Establishing a positive and productive home-school partnership is a way of facilitating the learning of each Mudgee Public student this year. Tomorrow evening, our classroom teachers are hoping to meet parents from their class to commence this relationship. Parents will learn about class routines, what students are learning in 2019 and how they can assist at home with their child's education.

The evening commences at 5.15 pm in your child's classroom. A BBQ will follow at 6.00pm and then a second class session at 6.30pm. The BBQ is covered with a gold coin donation paid on the night.

Limited supervision is provided for students who attend whilst the meetings occur. If students do attend, Infants students will go to the Library, Primary to the back oval.

The simplest way

... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](http://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.
