PRINCIPAL'S MESSAGE

Book Week 2019

This week is Book Week across Australia. On Thursday students can celebrate by coming dressed in the theme of this year's Book Week – **Reading is my Secret Power!**

Last week children's author Ursula Dubosarsky visited our school and spoke to the primary students.

Zone Athletics

Well done to all of the Mudgee Public students who represented our school last Friday at the Cudgegong PSSA Zone Athletics Carnival. From this carnival, 30 students were selected to compete in the Western PSSA Athletics Carnival which will be held in Dubbo on September 13.

It was pleasing to hear of the great sportsmanship and behaviour of the Mudgee Public students last Friday.

Western Sport Representatives

Over the next few weeks, several Mudgee Public students will represent the Western Region of NSW in State Championships. This week Archie Clulow is playing in the boys' Touch. Next week Andie Dowdy and Rachel

Marshall play in the Girls Touch here in Mudgee and Rolly Smith will compete in the State Rugby championships. Well done to all students who have reached this level of selection.

Brainstorm Productions

On September 3, Brainstorm Productions will again perform for our students. This year's production is 'The Protectors', a show designed to provide advice to students about bullying behaviour and strategies they can use if they encounter this.

The cost for the show is covered in the voluntary contribution. Note's will only go home to students who are required to pay.

Entry onto School Grounds

Entry onto Mudgee Public grounds is a privilege and is governed by the Inclosed Lands Act. I request that everyone who enters the school grounds acts in a way consistent with staff and student expectations. Parents/carers are expected to supervise younger children closely if they accompany them onto the grounds.

Like us on our Facebook page '**Mudgee Public School P&C**' and follow us on **Twitter@MPSBulletin** for all the latest updates and current events

Breakfast Club Expansion

The School is looking to extend Breakfast Club to 5 mornings a week before school. Hence we are looking for anyone interested in working 2 mornings a week, employed as a School Learning Support Officer at the School. There may be the opportunity for further work in classrooms.

Please contact the School office for an Expression of Interest Form if this would be a position you may be interested in. I am happy to discuss the role as well, please contact the school for a suitable time.

Week of Dance

Next week, Footsteps Dance Company will be conducting a week of dance activities with students across the school. This will culminate on Thursday evening for a disco – Infants from 5.00pm to 6.00pm, Primary from 6.30pm to 7.30pm. Please note that there is NO catering occurring this year, students will need to make their own meal arrangements. Also, because of limited space only students will be inside the hall for both discos.

LIBRARY NEWS

Book Week is here! This week we are celebrating all things books. On Wednesday, Kindergarten will be walking to the Town Library for a visit and on Thursday everyone is asked to dress up as their favourite book character or something to match the theme '*Reading is my Secret Power*'. I can't wait to see all the amazing costumes.

PRC is in its final weeks. All books need to be logged in by the end of Week 6. If you are having trouble logging the books online, please come and see me in the Library or send the reading log in to me and I will enter them for you.

Overdue books. There are a lot of overdue books across the school at

the moment, please check at home and return any books that you have finished reading. Happy Reading!

The SRC for Term 3 have decided to raise money for our farmers! This term, on **Thursday 12th September**, we will be dressing up in a farm related theme to support 200 Bales. 200 Bales is a local initiative in the Mid Western Region doing it's absolute best to get farmers and landholders through this horrible drought. Bring a gold coin donation on the day and dust off the aprons to make cakes for the cake stall. Your support for this important charity is greatly appreciated.

P&C Update

Thank you to everyone who voted for the MPS sports court expansion in My Community Project. Voting has now closed and the successful projects will be announced in mid September. We'll keep you posted!

Canteen

It was a big thumbs up from the students of MW this week. They received a visit from canteen manager,

Tracey with some delicious oven-baked crumbed cauliflower. The cauliflower was fresh from the school kitchen garden, courtesy of the MPS Gardening club. Some children had never been brave enough to try cauliflower before but all children decided to give it a try and some even came back for seconds!

Volunteer Update: Thank you to Cassie from KG, who organised for care for her baby and preschooler while she helped out in the canteen last week! The effort you went to and your help was much appreciated, Cassie! This week it's KH's turn to help and week 6 (week beginning 26th Aug), it's K1/N. No cooking skills are

required and you can name your day and hours. Please drop down to the canteen and have a chat to Tracey, email pandc@mudgeepublic.com.au or send us a message on the P&C Facebook page.
