- ★ All visitors to the school MUST sign in the visitors book in the front office. Where students arrive late or need to depart early, again this is done through the front office.
- ★ Have you contacted the school with your updated/changed details? It is important that the school is able to contact you in case of an emergency.
- ★ If your child has a change of routine please send a note to the classroom teacher.  
Emergency calls to the office before 2.00pm please.

**SCHOOL BANKING - Wednesday** (Volunteers welcome!)

**BREAKFAST CLUB - Monday - Friday 8.45am-9.10am**

**UNIFORM SHOP - Wednesday 2.30pm-3.30pm** (Residence Building via Perry St)

## PRINCIPAL'S MESSAGE

As per my note I sent out yesterday the school is open and will remain open for the rest of this term. We are following the Department guidelines which are regularly updated and shared with us on a daily basis. I would like to thank all parents for their support and understanding in this very difficult and unprecedented time.

Our staff have worked hard in developing and preparing learning resources for students to undertake at home. These individual packs are available from the front office, if your child did not bring it home yesterday. If you are unable to collect this pack in the next couple of days please let the office know so we can arrange for you to access the information.

We continue to follow the health guidelines of social distancing and good hygiene.

Unfortunately we have had to make the sad decision to close our canteen and our uniform shop, until school returns to normal. Please be aware that our Breakfast Club will not be open for the rest of the term.

Scripture and all music lessons have been cancelled this term.

Teachers will be in communication with parents over the next few weeks, either by phone, through the Parent Liaison Network, emails or Class Dojo. The school office is open as usual so if you have any concerns or would like to speak to your child's teacher, please ring the office.

I encourage you to access the 'Learning From Home' resource which provides practical advice to parents and carers on how to best create and support a productive learning environment in the home.

The programmed work that has been sent home to your child should be followed day by day as suggested by the teacher. If your child has completed this work before the expected timeframe you are encouraged to access online resources such as those listed below and suggested by your class teacher. Teachers are busy at school both supervising students and

programming for future learning.
