Both the staff and the students are looking forward to welcoming him to Mudgee Public. Mr Carters has moved to Mudgee with his young family and is enjoying our beautiful town. Students will meet Mr Carters on their first day back at school in Term 3 – Tuesday 21st July.

Drop off times

There is no change to drop off times in the morning. All students need to be at school by 9.15am. Please use the drop off zone at various gates around the school. Do not drop off in the bus zone. In the mornings there are many buses that come at various times. It is only in the afternoon that we can use that area before the buses arrive.

Painting

This week the painters are doing 3B and 3T rooms. These are the last classrooms to be done at this stage. They have a few areas in the Admin block to complete during the holidays.

Primary Toilet update

The inside of the Primary toilets have been demolished. During the holidays

the tiling will be started. We are looking forward to having them finished early next term.

SRC FUNDRAISER

MUFTI DAY

THURSDAY 2nd JULY

The SRC has decided to raise funds for the local Mudgee branch of the RSPCA. We will have a mufti day this Thursday, 2nd July. Children can dress in casual clothes and bring a gold coin donation. Note clothes need to be appropriate for the conditions and all are to wear enclosed shoes and a school hat.

We are also collecting donations of goods for local pets; children can donate a can of dog/cat food etc into a container outside the library. This is optional to the mufti day.

LIBRARY NEWS

Book Club - Issue 4 orders are on their way, however, there has been a slight delay in delivery due to Covid – 19 restrictions. I am still hopeful they will turn up in time for the school holidays, however, I cannot guarantee that. If they do arrive late, they will be kept safe during the holidays, ready to hand out in Week 1 of Term 3. Thank you again for supporting the school Library through the purchasing of items from Book Club.

PRC - Don't forget to keep reading your challenge books over the holidays! Friday August 28th is the last day to have your challenge completed online or handed in to me in the Library. Congrats to the students who have finished, your names are already on the PRC Tree!

Bookfair - Due to Covid-19 our annual Bookfair has been postponed until Term 4. We will let you know more details when we have a confirmed date. This is one of our biggest Library events at MPS so stay tuned for more information in the

coming weeks.

Book Care - There has been a rise in incidences involving students drawing in Library books they have borrowed. Please remind students that these books are shared by everyone, and drawing is for paper only! If you do have books over the school holidays, please ensure they are looked after.

Have a safe and restful break, Happy Reading!

Mrs Siobhan Vitnell

POEM - 4E STUDENTS

The Letter T

The letter T is terrific!
It is simply the best.
Without the letter T
the Titanic would not be at rest.
You'd never play a trumpet
Or eat a tiramisu.
You couldn't be a teacher
or travel to Timbuctoo.
A toucan would not exist.
A TV would be unknown.
You'd never hear a person say
tree, tie or tone.
The Ts in tattoo would
entirely disappear.
And certain words would be forgot
Like trickle, tart and tear.

Without the T you couldn't trick
A tiger to a tree.
You wouldn't ask for toasties
Or get stung by a bee!
Thailand and Tonga would
be missing from a map.
You'd never use a toilet,
a trap or a tap!
The Tarantula and T-rex
would be absent from the zoo.
Without the letter T
What could you do?
You wouldn't be able to
View a tent next to the sea.
Let's teach the whole world of the letter T!

Jake, Alister, Riley.

Driving safely near school buses

There is a 40km/h speed limit for traffic passing a school bus that is setting down or picking up school children. This speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

Lights will flash on the front and back of the bus reminding drivers that there may be children crossing or about to cross the road.

- Buses can't stop quickly because they are large and heavy vehicles. So, remember:
- Reduce speed to 40km/h when bus lights are flashing
- Give way to buses
- Watch out for children crossing
- Never park in or near a bus stop or bus zone.

Informal school bus stops

Informal bus stops are not sign posted and are usually found in rural areas. They may be at the front of a property, or on the side of the road, which may make children difficult to see.
