DIARY DATES

DoE Phase 0 commenced

Monday 11 May

DoE Phase 1 commences

IMPORTANT NOTICE

Week 3 & 4 Work packs can be picked up on Monday 11 May at the front of school between 9.30am-11am.

If you cannot collect work packs at this time please phone the office to make other arrangements

as well as work packs while we are in the early Phases. **Phase 1** learning begins next week and involves every student attending school on one set day a week. Students will be supervised in Year/Stage groups with various teachers during the day. Students will continue to do the one unit of online learning either at school or at home.

How will Mudgee Public encourage social distancing at school?

From Week 3 we will be staggering home times. As explained in the newsletter last week, students who are picked up or who walk home will be leaving school at 3pm. Bus students will go to bus lines at the normal time of 3.15pm. Parents are asked to drop off their children at the school gates. There will be supervision to support students to go from the gate to the school playground.

How will Mudgee Public support good hygiene?

Students are asked to bring refillable drink bottles and can access our 'stand up bubblers' for refilling only. Students should bring their own pencil case to school and take it home each day. Students will

continue to be given regular reminders about good hygiene around handwashing techniques and social distancing. The professional cleaners that work within our school have put in place enhanced cleaning measures. This includes significantly more cleaning time each day to ensure that high touch surfaces are thoroughly cleaned.

How is attendance monitored?

Students working from home will continue to be placed on 'Flexible Leave'. This is considered 'present' at school. Students that are not completing any learning at home, after being contacted by their teacher will be marked as 'Unexplained'.

LIBRARY NEWS

PRC - Due to the current environment, the PRC rules have changed slightly to allow for students who are learning from home. The amount of Personal Choice books that students are allowed to read has increased to **10**. That is double what it used to be! This should make the challenge a little easier for those at

home. The Challenge finishes at the end of August so there is still plenty of time to read.

Book Club - Don't forget with Book Club we are **only** accepting online orders for Issue 3. **NO CASH ORDERS AT THIS TIME, SORRY.** Follow this link <https://scholastic.com.au/book-club/virtual-catalogue-1/> to browse the brochure online. All online orders need to be completed by Monday May 18th. Orders will still be delivered to school, and sent home with students on whichever day they attend school.

Google Classroom - Library lessons are being conducted in Google Classrooms for the next few weeks. Please email me if your child is not in the Library Google Classroom. You will be told when to go to the Library Google Classroom in the Learning Packs that are being sent home. Happy Reading!

P&C Update - May 2020

"It was the best of times, it was the worst of times"...

Welcome back to a very different-looking term 2. Thanks to Charles Dickens for this quote which fairly accurately sums up the experience of social distancing and schooling children at home. We hope everyone is surviving!

Here is some information about how the Canteen and Uniform Shop will operate in Term 2.

Canteen

The canteen will reopen on Monday 11th May and will then be open everyday.

Are you tired of doing all the cooking while the kids have been at home for the last 6 weeks? Why not have a well-earned break and order their lunch from the canteen? The canteen has always had

excellent hygiene practices in place to ensure food safety however further measures have been instituted to ensure the safety of staff and students.

The canteen will offer a trimmed down but still delicious menu in Term 2. A copy of the new menu is attached to this newsletter. Sandwiches and salads will be available everyday with a different hot food special offered each day. Orders still need to be written on a paper bag with money included, however, we are hoping to have an online ordering system up and running by June.

Our capable canteen manager, Tracey, will be running the canteen by herself in Term 2. We'll let you know when we are able to have volunteers back in the canteen.

Dates for the Diary

Social distancing rules means no P&C events or meetings are possible at the moment. According to state P&C rules, decisions can only be made in face-to-face meetings, not via phone, email or video conferencing. We are hoping this will change in the near future and we will be able to schedule a virtual meeting - we'll keep you posted!

Uniform Shop

The Uniform Shop will reopen on Wednesday, 13th May and will then be open every Wednesday from 2.30pm to 3.30pm. With the weather cooling down, the uniform shop stocks a great range of cold weather gear including jumpers, beanies, scarves and gloves to keep kids warm. If possible, we ask that all orders are placed in advance online at

www.mudgeepublicpandc.com.au/uniform-shop.

Orders may be picked up from the uniform shop on Wednesdays between 2.30pm to 3.30pm. If you can't make it on Wednesday, orders may be picked up from the front office. Unfortunately, we won't be able to deliver orders to classrooms during the staged return of children to school. It will still be possible to try uniforms on if you are not sure of sizes. Only one parent and one child will be able to enter the shop at a time.
