Wellbeing Google Classroom

The Mudgee Public School Learning Support Team have created a *Wellbeing Google classroom* for student use. The idea is for students to have independent access, either at home or at school, to some resources that may be able to help them if they are requiring wellbeing support. Please see the attached letter and complete it if you would like your child to access these wellbeing resources.

assembly on Friday, and the Infants assembly yesterday. Yesterday the school band was recorded, so this recording will be used for the School Song and National Anthem. Next week the Year 2 leaders will be running the Infants Assembly. To make the assemblies more interesting, Mrs O'Hara has provided both a Primary and Infants challenge to be completed as a class group by the end of the week.

Toilet Update

Our Infants toilets are nearly completed! We should have the handover by next Tuesday which means they will be operational from next week. This does mean that from next week, they will be demolishing the interior of our Primary toilets and beginning the upgrading of these. Primary students will need to access the toilets in the Primary hall or the Infants toilets. Although a lot of inconvenience, the refurbished toilets will be worth it in the end.

Opportunity Class 2021

The Opportunity Class is an advanced learning program for high potential and gifted students. This is for students going into Year 5 in 2021.

Kindergarten photos

As our school photos have been postponed until July, our Kindergarten students need their photo taken for their school reports. One of our Kindergarten parents, Kate Freestone has kindly offered to do this. On Friday, all Kindergarten students, dressed in their winter uniform, will get their photo taken. These photos are for school use only and are not for sale. Thank you Kate!

Social Distancing

Thank you to all parents for following our Social Distancing protocols at Pick up and Drop Off times. We seem to have streamlined the plan over the week to enable students to leave the school quickly. This will continue while restrictions are in place.

School Laptops

Could I please ask that all families who borrowed a laptop/iPad to support with learning from home return these to the office so that they can then be used within the classrooms.

LIBRARY NEWS

Book Club - Issue 4 brochures were sent home last week. We will be accepting cash orders again! All orders need to be completed or handed in by Friday June 19th. No late orders can be accepted as that will delay the delivery. Thank you again for your continued support of the school

Library through the purchasing of Book Club items.

PRC - A quick reminder about the rule change with the PRC. You are now allowed to read 10 personal choice books. That is an increase from 5 in previous years. There are special ID numbers that need to be entered for the 5 extra choice books. They are: **685957, 685958, 685959, 685960, 685961**. These numbers can only be used once in your Challenge.

Overdue books - Please return any books that you have finished reading. Happy Reading!

Mrs Siobhan Vitnell
Teacher Librarian

Our **Jolly Gym** Program for children starting Kindergarten in 2021 will be held early next term followed by Mudgee Beginners in Term 4. Enrolment forms are available from the school office.

Bookings are essential!

Pick up your forms now and don't miss out on your preferred spot.

P&C Update – June 2020

Online Ordering Coming Soon

The P&C is excited to announce that online ordering for the canteen is coming soon using QuickCliq. The online uniform shop will also move to QuickCliq. QuickCliq is easy to use and is designed to be used on the go from your smartphone or tablet. Canteen manager, Tracey and uniform shop manager, Michelle are currently completing training with the system. More information and a start date for QuickCliq will follow next week.

Canteen

It's wonderful to have all the students back at school - last week was certainly a busy week in the canteen. The canteen can now offer a full menu. The fabulous new winter menu for term 2 and 3 is attached to this newsletter and starts this week. We have kept some firm favourites such as lasagne, meatball subs, mini pizzas and hamburgers and added some delicious new hot meals available everyday - fried rice, jaffles and spaghetti and meatballs. Daily specials include macaroni and cheese (with added veggies), chicken stirfry, taco boats and hot soup – all cooked from scratch in the canteen from fresh ingredients. We hope your kids enjoy!

Uniform Shop

****Open Wednesdays 2.30pm-3.30pm****

Order online anytime

It's the first week of winter which means plenty of frosty mornings coming up! The uniform shop can help with all your winter uniform needs including jumpers, long-sleeved shirts,

winter tunics and long pants. We also have a great range of warm beanies, scarves and gloves to keep your child toasty warm on those cold mornings. Online orders are encouraged. You can place your order at www.mudgeepublicpandc.com.au/uniform-shop. With children back in their usual classrooms, online orders can now be delivered to your child's classroom on Wednesdays. The shop is also open on Wednesdays from 2.30pm to 3.30pm. Social distancing is being observed and we ask that no more than 2 people enter the shop at a time.

P&C General Meeting

P&Cs have now been given permission to have virtual meetings so we will proceed with our next general meeting on Monday 15th June at 6pm. Details regarding a venue and link for joining the meeting remotely will follow next week.

Dates for the Diary:

Next General Meeting: Monday 15th June, 6pm. Venue TBA. Link for video conferencing TBA

2 June 2020

Dear Parents / Guardians,

The Mudgee Public School Learning Support Team have created a *Wellbeing Google classroom* for student use.

The idea of the *Wellbeing Google classroom* is for students to have independent access to some resources that may be able to help them if they are requiring wellbeing support either from home or school.

The *Wellbeing Google classroom* is managed and contributed to by school staff that are also members of the school's Learning Support Team.

The students will not be expected to submit any work from the *Wellbeing Google classroom* and are encouraged NOT to comment on the page at all, it is purely for locating appropriate resources to support their wellbeing. If your child requires wellbeing support whilst at school, they should seek help from a staff member.

If you would like your child to be a part of the *Wellbeing Google classroom*, please complete the following permission slip and return it to their class teacher. They will then be provided with the instructions of how to join the *Wellbeing Google classroom*. If time allows, a staff member may sit with your child and assist them to join, however, this can also be done from home. Once they have joined you can encourage your child to open the classroom from home so that you can also have look at the resources that are available for your child.

Please contact either myself or your child's class teacher on 6372 2036 if you would like any additional information.

Kind Regards

Mrs Lisa Smith
Learning Support Team Coordinator.
