## PRINCIPAL'S MESSAGE

### PBL

Last Friday we held our PBL assembly via Zoom. Whilst we would have loved to have the whole school in, as well as parents, I am very proud of the effort we went to, to recognise such special school contributions. Congratulations to all students who received awards as well as the students voted as their class SRC representatives who received their badges. I would also like to commend the school leaders on the way they ran the assembly and, I would also like to thank all the staff who contributed to this. Well done to all.

### Zoofari

I love learning about new school traditions and Zoofari is definitely one that is worth learning about. On Monday I had the privilege of attending 2H's Zoofari experience and what can I say...WOW! The students were so knowledgeable and enthusiastic. The effort they went to with their dioramas, their costumes and the way they presented their information was outstanding. I can't wait to visit the other Year 2 classes this week. Keep an eye out on Facebook for more photos.

## P&C Meeting

A big thank you to all who attended last night's P&C meeting via Zoom. It was a well-attended meeting which was very informative and productive. I really appreciated P&C members sharing their values around education and MPS, as well as sharing exciting things in the community for me to do with my young family. One thing that is very clear is the passion that all the P&C members have for public education. The next meeting will be on Monday September 7 at 7pm. Thanks again!

## Afternoon Pick-ups

Just a reminder about afternoon pickups. If there isn't a spot available, please don't double park and wait. Please just make a lap and come back. The police are understanding of the fact that we have staggered pick up/finish times, but they will be policing unsafe road behaviour. Thanks in advance for your help with this.

## Education Week

Next week is Education Week and the theme is "Learning Together". In the year that 2020 has been so far, this is very topical. Whilst we can't have parents in, we will be sharing a photo montage in video format with each year/stage group next week to share learning that has been happening. For ease of access, we will upload these videos onto a private YouTube link and share with each class. The private Youtube link is only accessible to those with the link and is not available for download. We look forward to sharing this with you all. Keep an eye out!

The Department of Education has also released an Education Week promotional video.

Dear Parents,

This year our school is participating in Jump Rope for Heart – a fantastic physical activity and fundraising program by the Heart Foundation that has been running for over 36 years.

Since Jump Rope for Heart started in 1983, schools like yours have raised more than \$104 million for the Heart Foundation’s lifesaving work.

Jump Rope for Heart is a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

To make fundraising fun and easy, you can create your own secure webpage at [jumprope.org.au](http://jumprope.org.au)

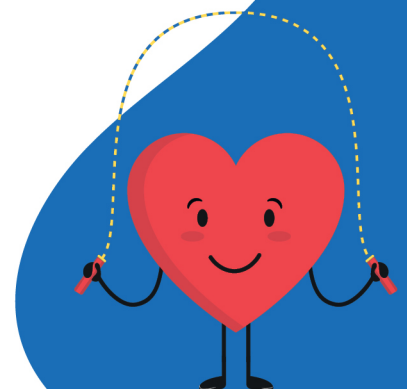

Sign up to share your child’s progress and let the funds roll in. Your child can earn virtual badges along the way and your page will highlight the prizes up for grabs.

**Sign up here today: [www.jumprope.org.au/parents](http://www.jumprope.org.au/parents)**

Thank you for supporting the Jump Rope for Heart program!

Yours sincerely,

**Mrs McRae  
Jump Rope for Heart Coordinator**

## STUDENT ATTENDANCE

The NSW Department of Education states: 'Regular attendance at school is essential for students to achieve quality life outcomes. Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unjustified on the student's record.'

\*Please send in a note with your child when they return to school after any absence. Alternatively you can ring the school office and leave a message as to why your child has been away.
