Starting Kindergarten in 2022

Starting Kindergarten is a wonderful event in every child's life. At Mudgee Public, we want to make this transition as smooth as possible.

Kinder Safaris - a chance to visit the school and see Kindergarten classes in operation. These can also be arranged with the school at a time to suit.

Children attending Mudgee Public participate in a range of activities to ensure readiness for school in 2022.

The Jolly Gym program - an hour of supervised games and activities in our playground, is a fun way to be introduced to the 'big' school environment.

Mudgee Beginners -

A little more formal!
Children in classrooms with teachers from Mudgee Public School undertaking a range of 'hands on' activities.

Please contact the School's office if you require further information about Mudgee Public School.

Jolly Gym

Jolly Gym is a gross motor program designed for preschool students. The program runs for 6 weeks either on a Tuesday or Thursday afternoon from 2pm till 3pm. This is a great way for the children to make new friends and become familiar with the new school environment.

Mudgee Beginners

In Mudgee Beginners children work with our dedicated Kindergarten teachers with the focus on coming to big school. Children work in the Kindergarten classrooms to familiarise the new students with their surroundings for the following year.

Mudgee Beginners has been very successful in ensuring a smooth transition into Kindergarten. The program runs for 5 weeks with children attending for an hour each week.
