Voluntary Contributions

10 March 2020

Dear Parent/Carer,

A voluntary contribution is requested for each child at Mudgee Public in 2020 to cover a variety of costs incurred throughout the year.

In 2020 the contributions are: Kindergarten to Year 6 - \$50.00 per student

In 2020 the contributions may include (depending on year group):

- Admission to visiting performances
- Admission to the Musica Viva performance
- Footsteps Dance program
- School Magazine Subscription Yr 2-6
- Transport costs to the Gulgong Eisteddfod (if required)
- Reading Eggs subscription
- Local transport using the School bus
- School provided specialised art and craft supplies

The idea of the contributions is to save asking for funds throughout the year for expenses that we are aware of now. Other school events may require further payment.

The contribution is also an opportunity to receive a subsidised rate for the visiting performances. This subsidy only applies to those who pay the voluntary contribution.

To encourage payment, the school has 5 x \$50.00 vouchers to the following businesses in Mudgee: Woolworths, Coles, Big W and Sportspower. The vouchers will be drawn on Thursday April 9th.

Please return the slip below with your families' contribution to enable entry into the prize draw by **April 3rd**. Please contact the school if you have any questions in relation to the voluntary contributions.

Mrs Roslyn Rogers
Relieving Principal
